

The Game Plan - Practical Dating and Sex Advice to Help You Move Beyond Your Divorce, Meet New Women, and Have Fun Again

Have You Ever Seen a Grown Man Cry?
I have. For a while, I was that man. My divorce nearly destroyed me. I thought the pain would never end, but one day, I finally made the decision to move on with my life. Since youre reading this, Ill assume youre ready to move on also. If so, good, because youre in the right place. Whether youre ready to start dating again, or just thinking about it, this book will help you. What youll learn... - The real reason your marriage failed...and how to make sure it never happens again. - What women really want from a man! (Nine out of ten men are absolutely floored by this secret... They didnt have the slightest clue...) - The single biggest turn-on of every woman...and how a man who knows how to give it to her will never have relationship problems. - Exactly where to find women who will offer support and friendship (...or just sex) - Approaching women for dates... What you must know!
- An honest mistake which makes women think youre desperate...and how to avoid making it. - The only list you can trust about what really makes you attractive to women. - Dating your Ex? It can be a good idea...sometimes. - How to compete with younger, hotter guys and still date attractive women. (Its probably not what youre thinking...) - The single most important thing you can do to make yourself more attractive to the opposite sex! - The number one rule, which absolutely must be observed, for women to be truly interested in you! Greg Griffin is a relationship counselor, specializing in helping men to heal their divorce wounds. He is known for his candid, non-traditional approach. He is based in Seattle.
