

A step-by-step, scriptural guide to emotional freedom. Donna Colosimo Bass is a survivor of a life of turmoil - ten major automobile accidents, date rape, sexual abuse, multiple chemical sensitivity and post-traumatic stress disorder – overcoming each obstacle. Read her transparent, personal account of an ordinary housewife, mother and grandmother as she describes her stress, physical and emotional pain and struggle to gain freedom from chronic illness, long term fear, anxiety, rejection and trust issues. Once a tormented, housebound soul, she now experiences joy and freedom because she applied the principles found in God’s Word to her circumstances. This book outlines in practical terms how to leave your past behind and let it go! “Donna has crafted a practical guide to liberty that should be essential reading for every new believer.” Kathyne Leach, Author & Blogger
