

When I Fall in Love Again: A New Study on Finding and Keeping the Love of Your Life

Finding a partner and maintaining a relationship are important emotional issues for most women. Issues that become even more complicated in the aftermath of a love that ends. *When I Fall in Love Again: A New Study on Finding and Keeping the Love of Your Life* helps women in this situation navigate the tricky terrain between breaking up and starting over in a practical, empathetic, and forthright way. *When I Fall in Love Again* is filled with candid insights and advice about sex, dating, expectations, and life with, without, and in between partners. It is based on an unprecedented Internet survey of over 400 women answering specific questions about their experiences, plus 70 in-depth personal interviews with 60 women, 10 men conducted by coauthor Jane Merrill. What these people have to say will give guidance and hope to women facing similar situations. The book also includes 10 self tests and 12 relationship tests to help women assess themselves on a range of personal and interpersonal issues.
