

Chosen (Ancients of Light)

In the beginning...there were Vampire Mans fall from grace sparked the birth of the Dark creatures from the underworld. To counter the explicit threat to mankind, divinely-created immortals were brought forth. The Witch encompassed seven Castes of power; their magic was most effective against the nefarious agenda pursued by the evil ones. She is Chosen ... Kaitrianas gift of magic is unrivaled. A descendant of the most powerful Ancient in existence, her birth was foretold ages before her time. Destined to lead the Witch faction, she is betrayed by her own kind, destroying her birthright and all hope of delivering the Realm from the sinister shadow of the Ancient Dark. He is the Key... Lorcan is a mighty warlord in the Vampire species. His animosity towards the magical immortals is personal - his mother was their Queen. Having long since severed all ties with his former kin, his existence remains plagued by the repercussions of her treachery and a secret that threatens to be his downfall. They are the Prophecy... An arcane prophecy from the time of the Ancients proclaims that only two in all of creation can bring peace to the Realm. When Kaitriana miraculously appears seeking his protection, Lorcan must forsake his duty and disregard the dictates of his breed to shelter the female. Together they must combat the Ancient Dark and surmount the forces within their own factions that would oppose the Prophecy. Their fates have always been entwined and only when joined can they triumph over a blood feud that has shadowed the Light for millennia.
