

## The Sound Of Love: A Billionaire BBW African American Romance

A super sexy romance for adults by Kayla Clarke, ideal for those wanting something a bit different. :) Chantal, has given up on love. As a bigger girl, she feels like she's been taken for granted and that men don't appreciate her the way they should. Her one comfort is that she's really, really good at her job: a phone sex operator for the rich. Chiseled Billionaire Michael thinks he's about ready to give up on love too. He got out of a relationship with a woman who conned him for his money, and he's tired of being treated like a walking bank account. On the advice of a good friend, he calls up a phone sex line and gets paired with none other than Chantal. Things go well for a while, but when they decide to move their relationship out of the digital realm and into the real world, things begin to get complicated. Will Chantal and Michael be able to work out their differences? Or will their hang ups be too much to let this budding romance fly? Find out in this intriguing and passionate billionaire romance by Kayla Clarke of African American Club. Suitable for over 18s only due to sex scenes so hot, you might need to call up a phone sex line yourself.
