

When you start the gluten free or wheat free diet, you notice that almost every package at the grocery store contains wheat in it. You become frustrated and start missing your favorite foods. You begin to wonder if you can have a normal life with your favorite foods. I know this is possible since I have been at that point in my life. I have included in this cookbook recipes for biscuits, onion rings, corndogs, eggplant parmesan, meatloaf, chicken fried steak, chicken nuggets, chicken noodle soup, fish sticks, sweet and sour pork, and more.
