

Someone to Hug

Many of us have found ourselves single again because of loss of a mate, divorce, change in economic circumstances, etc. Whether we like it or not, Change is a Constant, and we need to continually adapt. While change is often fearful, it can also be exciting with many new opportunities available. Someone to Hug is a comfortable prescription manual for any single, mature adult to find a companion to contribute to a fuller life. Happiness is not perfected until it is shared. Regardless of your age, handicap, health, or sexual preference, another adventure is potentially available as you enter your next stage (evolution, reinvention). This manual encourages, as well as guides you, to new possibilities. If you'll just try some of the suggestions inside, and incorporate common sense insights into your future, there can be positive transitions. It really does come down to Someone to Hug with all of those universal emotions-- caring and belonging.
