

Snow People World: Healthy and Happy Relationships

Snow People World: Healthy and Happy Relationships boldly does what few books dare! It makes understanding interpersonal relationships as easy as one, two, three, and four. With helpful illustrations depicting the four basic components of a snow man, the author examines the mysteries of relationships that work- or dont- in this revealing treatise on interpersonal communication and provides a practical learning tool for tuning into your Inner Snowman, standing up for yourself, getting your relationships right, relaxing, and being truly happy.
