

Hoop Dreams #1: Urban Romance

When Gemini's boyfriend, Darius, threatens his promising NBA career by getting caught up with his thug friends, it's up to Gemini to try to get him back on track. Meanwhile, when Darius turns an injury into a major advantage and a NBA deal is finally brought to the table, every ho in the area is trying to steal Gemini's man - even the women she thought she could trust. Darius has to deal with his temptation, and when he's faced with losing the one woman who's always held him down, he has big decisions to make. So does Gemini. This is a full-length urban romance with explicit themes. 18+ readers only.
