

Lord Kanes Keepsake (Signet)

The handsome lord had both title and wealth to support his suit, plus Emmas fathers emphatic approval. He had even given Emma the fabulous Kane diamonds to seal their troth. How then could Emma let Lord Kanes affair with the most stunning beauty in London interfere with her engagement? How could she listen to the seductive suggestions of Lord Kanes archrival, the irresistible if infamous Lord Avenley? And how could she possibly hold out for the one thing that Lord Kane neglected to pledge? His love.
