

Changing Speed 2

Just another book about depression, anxiety, stress? Take this second autobiographical journey with Mark Senior and discover for yourself that this book could never be just another book. Many write of mental health issues. To read this book is to live with mental health issues, to feel them, to be part of them. This journey of pleasure and pain, of humour and sadness, is a journey of enlightenment where Mark eventually finds his depression to be his teacher. Without his experiences he would never have truthfully known who he is. His autobiography belongs to depression. It belongs to you.
