

Transcendence: (Demonic Domination Book Two) (Demonic Monster Group Domination BDSM Slave Erotica)

Continue Kates thrilling erotic fall from grace as she discovers there is still a lot more to learn about pleasure and pain than she could have ever imagined. You want release, sweet girl? He posed it as a question but we both knew the answer. I stared up into his eyes as he cupped my face and brushed his thumb across my lips. His touch sent shivers all the way down to my toes. The hair on my arms and neck stood up as his inhuman gaze swept over my face once more. If release is what you want...release is what you will have. The end of the world has come and Kate is dealing with the fallout of being the last woman left on earth. In order for protection Kate gave herself to the Prince of Darkness- heart, body, mind and soul. The bargain was made in a moment of desperation and now that the time has come to pay Kate is learning the hard way that sometimes the price outweighs the rewards. Will Kate be able to break free of her demonic Princes total control over her? What happens when she is caught trying to win back her freedom? Will she be able to pay the ultimate price? Be sure to check out Demonic Domination: Judgement Day, Book One by Jezebel Rose for the full story of Kates devilishly tempting travails.
