

Conflict in relationships is a fact of life. When people are around each other there is not only the potential for conflict, but there is going to be conflict in some form, to some extent, at some time. Rather than fearing conflict, Dr. Dennis Morgan encourages readers to see conflict as an invitation from God to strengthen relational closeness. Fighting for Peace will challenge you to consider your personal relationship with God, to more fully know and examine yourself, and to move toward others in humility - combating conflict with character. Praise for Fighting for Peace: Many counseling books today feature stories of how John and Sally came for help, provide a few features of their tortuous life, and end with--usually--an account of transformation. A different pathway has been chosen in this book, and--in my own view--a better one. Writing with the experience of someone who works on the sharp edge of personal counseling, Dr. Morgan's thinking is anchored in vital biblical teaching, patiently expounded from Scripture, and then carefully drawn out in application. These pages will be read with care and gratitude, for they hold out the promise of help for all those who give counsel as well as for those who need it. --Sinclair B. Ferguson, Senior Minister of The First Presbyterian Church of Columbia

Conflict. Its all around us. In our world...our nation...our homes. The need for resolution is imminent. In his book, Fighting for Peace, Dr. Morgan presents us with a fresh and new virtue-based positive paradigm for conflict resolution.--Dr. Tim Clinton, President of The American Association of Christian Counselors

We Christians speak of the gospel as life giving, but often we struggle to bring the good news of Christ into our day-to-day living. This book will help. Dennis Morgan weaves together his extensive experience as a psychologist, love for theology, and practical wisdom into this readable invitation to godly humility.--Mark R. McMinn, Ph.D., Professor, George Fox University

About the Author: Dennis Morgan, Psy.D. (Rosemead School of Psychology, Biola University), M.A.T.S. (Reformed Theological Seminary), is a professor in the Graduate School of Columbia International University and is in counseling practice at the Christian Counseling Center of First Presbyterian Church, Columbia, SC. He has written articles and materials related to Christian counseling and spiritual growth, including his previous book Life in Process. Dr. Morgan and his wife, Cynde, are also with Mission to the World, doing consulting and member care through Pro-Family Counseling in Vienna, Austria. They have been married 34 years and have two college age children.
