

Live Happily on Less

Is there never enough money? You can live happily on what you have without clipping coupons, cutting up your charge cards, filling out financial workbook pages, or following weird tips that make no sense to you. Carolyn Henderson's *Live Happily on Less* walks you through the lifestyle changes that will positively impact your finances. In 52 warm, friendly chapters, Henderson encourages you to look at your personal financial situation and make adjustments that work. Creator of the lifestyle column *This Woman Writes* (www.ThisWomanWrites.AreaVoices.com) Henderson raised a family of six on a modest single income, and she and her artist husband Steve own -- mortgage free -- their home, seven acres of land, their car, and their business, Steve Henderson Fine Art. They eat well, take inexpensive yet fulfilling vacations, and live a contented life.
