

The Woman Who Lost Her Heart: A Tale of Reawakening

The Woman Who Lost Her Heart is a tale for every woman who feels caught up in the rat race and wonders if this is what life is really all about. In a fable set in the not-too-distant future, the heroine awakens to discover she has literally lost her heart. The woman's search for her heart leads her to discover how much she has injured herself trying to adjust to a heartless world. Along the way, she faces old wounds and learns to listen to her body and feelings.
