

Abandoned machine lie rusting, useless without fuel Tribal remnants of civilization war with each other Humanity faces extinction as a recombinant-DNA disaster spreads Who can save this post-apocalyptic world? THE PRINCIPAL, visionary but flawed leader of a fledgling society? THE TRADERS, anti-science fanatics who want to return the world to its natural state? THE GARDEN, women scientists who live like warrior-nuns as they search for answers? Or does the future lie with ZACH and EVVY, the fierce but gentle poet-warrior and the beautiful and brilliant young woman he was sent to procure for the Principals private delight? Kathryn Lance paints beautiful word-pictures and has a fantastic sense for emotional truth. --Analog Science Fiction and Fact, 12/15 Pandoras Genes has a plot Shakespeare would have loved. -Locus, 1986 Best New Science Fiction Writer, Romance Times, 1986.
