

She thinks she's not his type. He's determined to prove her wrong. Leigha Carmichael is used to the quiet life. A junior accountant by day, she knows girls like her don't have exciting lives. She's smart, shy and her curvy body doesn't fit in among the beauty queens of Las Vegas. Still reeling from her ex-boyfriend's betrayal, Leigha's sworn off all men. Except she has a huge problem, and only the right man can solve it. The moment he sees her across a crowded bar, Dylan Kane knows he wants her. And Dylan Kane always gets what he wants. Especially when the object of his desire is sitting in his own casino. She's nothing like the skinny, overly made-up women he's used to. From her clear gray eyes to her luscious curves, Leigha is the real thing. Exactly the change of pace he's been looking for. And even better, she needs something from him. With the bargain he has in mind, they'll both get exactly what they want. In the few days she's his, Dylan plans to take control of every delectable inch of Leigha's body. But when the weekend is over, will he be able to let her go?
