

## Time to Change

Everyday I see the darkness all around us. I am by no means perfect. All I can do is try my best and hopefully help someone to get on track and to follow Jesus Christ. I know in the beginning you will be tested a lot. You have to remember within Him is the key to see the people you love for eternity. It is so much to comprehend but God will keep his promise. He gave His only Son for us to be able to see the Heavens above even though sometimes we lose some of the battles in life. Everyone needs to see the true Power of Prayer, Worship, and Praise. God is great and He will never leave us by ourselves even when you dont feel Him, He is ready and waiting for you to repent and dedicate your life to his Son Jesus. Remember the cross and feel it in your heart. What we go through today and feel we do so well, does not compare to a perfect Son that died so we can all have the greatest opportunity the world could ever imagine.
