

Time Travel Romance: 4 Erotic Time Travel Short Stories - An adult read filled with passionate, erotic romance via time travel to four very different times and eras. Story 1: Tunnel of Love After a loveless marriage and her recent divorce, Emmie visits her sister and nieces in Tulsa, Oklahoma to try and find meaning and a new direction in her life. During an outing with her two young nieces at a local carnival, the girls take a ride on the vintage Tunnel of Love. Technical difficulties stall the riders while midway through the ride, while something inside the ride triggers Emmies time travel return to the Great Depression and The Dust Bowl era where she is reunited with her young lover Teddy. They both both worked at the carnival and despite the depression, the young couple lived a life rich with happiness and love, until an event at the carnival changed the course of Emmies world. Story 2: Plantation Promise History enthusiast and popular tour guide in South Carolina, single Doreen has a passion for the rich history, especially slave time history, of the Deep South. While ever popular amongst her tour groups, Doreen leads a quite life to herself, yearning for something she doesnt quite understand. While returning to one of the Plantation Manors to retrieve a forgotten camera by one of the tourists, the mysteries of the manor transport Doreen back to a time when her life was one of slavery. Her fortune was that she found love and protection in the most unexpected of places, and she gave her life, in order to give life. Story 3: Gangsters Girl Active with her paranormal investigations group, Regina and her group visit many of the old buildings within the Chicago area in search of paranormal findings. They conclude their weekly investigations by having late night drinks at an old bar that used to be a real life gangster hideout back in the 1930s. One evening, after the rest of her group leaves, Regina stays behind to have one more cup of coffee before heading home. While waiting for her coffee, she investigates a particular hallway and old antique phone booth shes never seen before. Pretending to make a fake call, Regina is spun into a secret tunnel once used for the gangsters escape from the feds and as she goes to investigate, she realizes that she is no longer in present time. She meets up with her gangster lover and enjoys an intimate dinner with him before all hell breaks loose in the hideout. Once again seeking out the phone booth, Regina time travels back into present time, unaware of a shared secret someone near her knows. Story 4: Reflections of Salem Taking a cross country vacation from Los Angeles to Salem, Emily leaves the hectic world of TV production behind to seek out adventure in a town rich with both good and bad history. Staying in an old bed and breakfast, Emily discovers an unusual and very old antique mirror with very special abilities. Discovering by accident just what those special abilities are, Emily time travels through the mirror to Old Salem, in the year 1692. Reunited with a lover from her past that she does not remember, she returns to him each evening via her magic mirror. When she travels on her last evenings stay to see her lover and tell him that she wants to stay with him, she discovers that her lover has met with peril. Rushing to his aid, she cant stop the events from occurring & rushes back to his home in Old Salem to ensure that her memory will be erased of the tragic events. After deciding to stay on in Salem, an unexpected surprise awaits Emily, yet her memory wont be able to make the connection of past and present.
